Do Not Want A Change.

Several bill have been introduced during this session of the legislature, in an attempt to divert the primary school money to some districts in the county to for each store. pay their teachers wages. It is also true that in some districts there is a small balance left over to accumulate from year to year. of the students in the rural The records will show however. that exclusive of the May apportionment the amount of primary ous task added to his list of dutmoney on hand in all the various ies as chief executive officer of districts of the county will not the county. In answer to one of exceed \$2500. A change in the the questions during the 8th law governing the disposition of grade examination last week, as primary school money is not de- to the various duties of sheriff, 10:30. A cordial welcome to ali. sired by the taxpayers of Van one of the pupils wrote this an-Buren county.

What Will Be The Result.

What is known as the "Warner Cramption" liquor bill has passed both houses of the legislature and is now up to the governor. Some parts of the bill were framed for the benefit of "new" local option counties, where "blind pigs" "hole in the wall" and other illicit joints exist for the dispensing of liquor. Van Buren county passed through that stage years ago, and the only feature of the bill that will of the large city dailies. be of special interest to this county is the law which forbids the sale of liquors for medicinal purposes, without a physicians prescription, which can be filled but once. The question will now arise, as to whether or not a new law will not be necessary to further restrict and regulate the practice of physicians. This however is hardly to be expected in Van Buren county, as practicing physicians here are tlemen The new law will leave week. the door open however, and time alone can tell what will be the hoping.

Seem to Have Forgotten. Some of our bicycle riders seem to have forgotten that there is a bicycle ordinance in existence in Paw Paw, and have commenced to use the walks on Main street as well as others prohibited by the ordinance with seeming impunity. The bicycle ordinance prohibits the riding of bicycles on Main street between LaGrave and Gremps streets, and on Kalamazoo and Niles streets between Paw Paw and Oak streets. Riders however can have the use of all oth, 12tf

er streets in the village providing they procure a license from the village clerk, which stipulates among other things, that such riders shall use extraordinary care in riding on the walks, and that they shall in all cases dismount when meeting or passing a pedestrian. The above ordinance is a very liberal one. grants all the privileges to riders that could be asked for, and should be respected without strenuous or harsh measures being necessary on the part of the

Worthy of Consideration Here.

The merchants of Hartford other sources than the payment have started a co-operative deof teachers wages as provided livery system. One wagon makat present. Sheriff Please Take Notice.

According to the ideas of some schools, the sheriff of Van Buren county has had one more onerswer, "To keep peace and order within the court house."

THE final adjournment of the legislature has been definitely set for May 19, and the final ceremony of adjournment will take place June 2. This will be the shortest session since 1867.

THE South Haven Daily Gazette, the new daily paper launched at South Haven is a "hummer." If it keeps up its present gait, it will rival some

IT is universally conceded that with Wes Thomas as warden of the Jackson state prison, it would be a case of the "right man in the right place."

Kalamszoo normals play ball here tomorrow, Saturday, at 3 p. m.

The senior class entertainment given Tuesday evening was a success in all particulars. The young people, both in the farce Borrowing Trouble, and in the Maikmaid's Convention, acquitted themselves in a creditable manner. A nice sum was realized, a part of which has been set aside for a class gift, Saint Gauden's Lincoln, and the remainder donated to the athletic association.

Not satisfied with the two defeats administered by Dowagiae and Parson's college, the ball team journeyed to Gobleville last Saturday and unearthed the third. The game was signalized by overthrows and poor base running. Mather pitched matchless ball, securing nine strike outs and allowing three hits. This was one of the games to decide who plays field day and unless we "spruce up" we are down and out.

In the ball game with Lawton Wednesday the battery work of Mather and Fuller was very satisfactory and though we secured a 6 to 1 victory, the batting and base running must be much improved to insure a winning team. Lawton team comes here again next Tuesday for a championship game.

GO-CART
